

# Thank you

... for choosing Atlantic General Hospital and Health System for your recent healthcare needs. Time and again, patients and their loved ones tell us how a member of our healthcare team went above and beyond their duties to make them feel nurtured and cared for.

Hearing the words “thank you” from a patient is more meaningful to a caregiver than any award or other accolade they ever receive.

By making a tax-deductible contribution through our Honor a Caregiver Program, you have the opportunity to recognize the person who has played a significant role in your care and support their work.

## A gift is a great way to say **THANK YOU.**

The gift of health is precious. We very much appreciate your gift! Thank you for taking the time to pay tribute to a caregiver who has enriched your life while also helping to provide essential resources for a healthier tomorrow.

Sincerely,

Michael Franklin  
President/CEO of Atlantic General Hospital
