

Outpatient Services

CT Abdomen and Pelvis with Contrast

Please arrive at the Centralized Registration Department 30 minutes before your scheduled test.

Before your test:

- Pick up contrast from AGH Rediscripts Pharmacy a few days before your test
- You must have nothing to eat or drink 4 hours before your appointment
- *90 minutes* before test drink the oral prep (Barium)
- You **MUST** bring your physicians order. Failure to do so will result in the exam being rescheduled.

If you meet the following criteria, you must have a B.U.N. and Creatinine lab test before your scheduled appointment:

- 60 years of age or older
- Diabetic
- History of kidney disease or surgery
- History of Abnormal Renal Function

If you have any questions, please contact Atlantic
